

PA Coalition of **Medical Assistance MCOs**

Access to affordable, high-quality healthcare for the underserved in the Lehigh Valley.

You are invited.

Thursday, June 5th
8:00am - 9:30am

Comfort Suites, 120 West 3rd St.
Bethlehem, PA

• Who

The PA Coalition of Medical Assistance MCO's (PAMCO), Healthcare providers, Social Service Agencies and Community Leaders will participate in a roundtable discussion on Rendell's 2008-2009 Budget and the potential impact on access to affordable healthcare for the underserved. This is the third in a series of roundtables PAMCO is hosting across Pennsylvania.

• What

Gov. Rendell's budget proposals will have a direct impact on the delivery of vital healthcare services in communities across the state, particularly on the traditionally under-served.

• Why

"The challenge we confront is to ensure that all Pennsylvanians have access to high-quality, affordable healthcare – especially our most vulnerable citizens, the men, women and children enrolled in the Medical Assistance program," said Sherry Knowlton, General Manager of AmeriHealth Mercy Health Plan.

• Speakers Include

- State Sen. Pat Browne, R-Lehigh
- Mr. Sis-Obed Torres Cordero, Council of Spanish Speaking Organizations of Lehigh Valley
- Sherry Knowlton, General Manager of AmeriHealth Mercy Health Plan
- Joe Glinka, Legislative Director Gateway Health Plan
